Special Notice

Enclosed is a copy of the Limited Use Label License (LULL) for Non-Profit / Academic customers governing the use of piggyBac technology as provided by System Biosciences (SBI) under the terms of their license from Hera BioLabs.

A copy of this LULL is included in all shipments of piggyBac products by SBI or its authorized distributors. By accepting and using any SBI piggyBac products, the customer agrees to the terms and conditions contained in this LULL.

For any questions regarding this LULL, please contact Jake Lesnik, at jlesnik@systembio.com.

LIMITED USE RESEARCH LICENSE FOR PIGGYBAC™ VECTORS AND TRANSPOSASE – Non-Profit User

DISCLAIMER: SYSTEM BIOSCIENCES AND/OR HERA AND/OR ITS AFFILIATE(S) DISCLAIM ALL WARRANTIES WITH RESPECT TO THIS PRODUCT, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. TO THE EXTENT ALLOWED BY LAW, IN NO EVENT SHALL HERA AND/OR ITS AFFILIATE(S) BE LIABLE, WHETHER IN CONTRACT, TORT, WARRANTY, OR UNDER ANY STATUTE OR ON ANY OTHER BASIS FOR SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, MULTIPLE OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING FROM THE USE OF THIS PRODUCT.

LIMITED USE RESEARCH LICENSE FOR PIGGYBAC VECTORS AND TRANSPOSASE: For purposes of this Agreement “Research” means: (i) basic research, drug discovery, drug development and diagnostic purposes conducted prior to selection of clinical candidates and not conducted for consideration or otherwise excluded hereunder as defined below as “Commercial” and “Developmental” purposes. The purchase of this product conveys to the buyer a limited, non-exclusive, non-transferable license under Hera Intellectual Property to use this product and components of this product only to perform internal research for the sole benefit of the buyer.

If applicable, the buyer may also use standard molecular biology techniques to make additional copies of the piggyBac transposon for purposes of internal research for the sole benefit of the buyer, but not the transposase this must be purchased from Hera. The buyer cannot sell or otherwise transfer (a) this product, (b) its components, or (c) materials, cells, or organisms made using this product to a third party, or otherwise use this product, its components, or materials, cells, or organisms made using this product or its components for any Commercial Purpose or Development Purpose; with the sole exception that buyer may transfer this product, its components, and/or materials, cells, or organisms made using this product or its components to (i) the buyer’s legal affiliates, (ii) contract service provider and/or (iii) scientific collaborators and non-profit organizations for internal research for the sole benefit of the buyer and not for Commercial Purpose or Development Purpose, provided that the buyer will obtain a signed copy of this limited use label license made available upon request from Hera with any such transfer. If this product is subject to multiple limited use label licenses, the terms of the most restrictive limited use label license shall control.

“Commercial Purpose” means any activity for consideration, including but not limited to: (a) any use, directly or indirectly, in manufacturing, production, production of biomolecules or quality control; (b) any use to provide a service, information, or data for consideration; (c) any use for therapeutic, diagnostic or prophylactic purposes; or (d) any sale, resale, leasing, or licensing, whether or not for research purposes.

“Development Purpose” means any: (a) clinical activity following IND-enabling preclinical toxicological studies or equivalents thereof; (b) activity in any plant, plant cell line or tissue gene editing, agricultural field trial, including any such field trial that would be subject to regulation by the United States Department of Agriculture if the plants were to constitute genetically engineered organisms under 7 C.F.R. § 340 (or any successor regulation); (c) activity directed towards the submission of data to the United States Department of Agriculture, or any equivalent regulatory agency outside of the United States, in support of an application for clearance, approval or deregulation by such agency; (d) scale-up activities, the primary focus of which is to increase from small-scale to production-scale.

“Hera Intellectual Property” means: (a) certain patents and/or patents pending and (b) technical information, trade secrets, protocols, practices, methods, DNA sequences and other knowledge, information and skills controlled by Hera (“Hera Know-How”), that are necessary and/or useful in buyer’s use of this product.

Hera has the requisite corporate power and authority to enter into this license and the to which it is a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby.

For information on obtaining additional rights to the product for any use not permitted herein, please contact us at services@herabiolabs.com.
